MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Contract No. TM-512 with Granger Associates,
Palo Alto, California, Project CHALICE

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 5.

2. Contract No. TM-512 has been negotiated with the Contractor for the repair and overhaul of equipment previously procured from the Contractor. This Contract is on a Time and Material basis since the quantity of items and the extent of repair and overhaul is not known in advance.

3. Contract No. TM-512 obligates an amount of \$15,000.00 chargeable to Fiscal Year 1960 Project CHALICE funds. An Activity Program has been initiated for authority to obligate the above funds. Concurrence is requested contingent upon approval of the program. By concurrence to this memorandum the Comptroller signifies that sufficient funds are available as provided above.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956

The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress, (formerly 10(b) see 85-507 dtd 7/7/58) for each contract.

5. Concurrence in Contract No. TM-512 is recommended.
